THURSDAY
MAY 22
6:30-8:30PM

CENTRAL LIBRARY AUDITORIUM
600 SOLEDAD 78205

As San Antonio waits to hear whether its missions will be designated a World Heritage site, Peru’s experience can provide some insight into what we should expect.

Dr. Angela Lombardi, of the UTSA Center for Cultural Sustainability, will speak about the historic center of Lima, Peru being declared a World Heritage site in 1988 and the similarities between the two former colonial cities.

A reception will be hosted by the San Antonio Office of Historic Preservation.
